#### **New Business:**

Programs gave their reports: Mr. Butt noted that Choice had two incidents in the previous quarter that should have been noted at the last meeting, both were reported and investigated, one was closed and the other remains open pending a final police report. He also noted that this quarter there were two peer to peer incidents that were reported and it was determined that further staff training should be provided. Both incidents are closed and Choice is awaiting final approval from Mr. Newsom of their corrective action plan.

There were no incidents or allegations to report during the past quarter from the other programs in attendance and there have been no significant changes in programs.

Ms. Willie Barnes noted the By-Laws were approved with several small additions by the SHRC. She will email the final draft to Mr. Neumann who will distribute it to members and programs. She also noted that LHRC training was scheduled for tomorrow and new board members were planning to attend.

Mr. Neumann reviewed the letter of agreement sent to programs when they first affiliated with the LHRC. It was agreed among the affiliated programs that a revised agreement should be presented at the next meeting to reflect the name change to Mid-City LHRC.
